

Dear siblings in Christ,

Last night a special vestry meeting was held over zoom. The sole topic was the surging COVID-19 case numbers and positivity rates in Virginia. It was unanimously agreed to move back to online worship. Small worship teams will stream from the building. We are in the process of rescheduling or adjusting recently scheduled events. More information on those will follow.

We hope this is a short-term safety measure. The vestry is committed to returning to in-person worship as soon as it is safe. Services will be held online until February 13th. At the February 15th vestry meeting, current conditions will be reviewed. A decision will be made to either return to in-person worship or extend online worship for another month.

The vestry and I have made this decision out of an abundance of caution. We are available to discuss or answer any questions you may have. Vaccines, boosters, masks, and distance remain our best way to care for ourselves and others. As Christians, we strive to love one another as ourselves. As with every decision we have made during this pandemic, this one is made out of love for one another.

In Peace,

Andrew+
