If you have walked into any grocery store, or department store recently, you know that it is “Back to School” season. Notebooks and binders, pencils and glue sticks, backpacks and new outfits; all are on sale and prominently displayed. Parents, grandparents, and guardians are going through closets to see what clothing can make it another year and what new supplies need to be bought. Kids are trying to enjoy the last month of summer break and finish up their summer reading lists. This season always seems to stir up a sense of excitement and a little bit of anxiety - a return to familiar patterns, and the embarking on new adventures.

While the preparing of all the “stuff” needed for going back to school is important, it is also essential that we take the time to prepare the people going back. On September 8th, we will be celebrating our annual Blessing of Students and Educators, along with our Prayers for the Instruments of Teaching and Learning. This will be a moment, wherein our shared life of worship, we raise up to God the treasured gift of our Children and Educators. Please mark your calendars, and bring anything and everything you would like prayed over for the coming school year.

In the meantime, and for the coming year, I want to offer up to you a prayer For Young Persons. Adding this to our daily prayers will keep us focused on all the children of our community, supportive of all their endeavors, and compassionate towards all of their struggles.

God our Father, you see your children growing up in an unsteady and confusing world: Show them that your ways give more life than the ways of the world, and that following you is better than chasing after selfish goals. Help them to take failure, not as a measure of their worth, but as a chance for a new start. Give them strength to hold their faith in you, and to keep alive their joy in your creation; through Jesus Christ our Lord. *Amen.* BCP. 829

Word from the Warden (or whatever we call it)

Lucy has bullied me into writing this since I have evidently skipped the past few months – she is like that if you are a slacker like your Senior Warden has been lately!

The last few months have been extremely busy around this beautiful parish, here are a few highlights:

- A flower garden has been started in the circle thanks to our resident landscaper, Laurie McIntosh - she works tirelessly on our grounds to keep them looking loved – thank you Laurie!
- The air conditioner died – who remembers the couple of Sundays that was down and everyone pitched in to hold service in the parish hall - that is no small feat with all the altar and acolyte paraphernalia and prayer books and hymnals having to be moved from the sanctuary, and chairs needing to be set up, and taken down, and all the confusion that goes with it! What a big job for all and everyone pitched in and did it like the loving community that you are – thank you everybody!
- The air conditioner repair – who remembers how very quickly the unit was attended to, parts ordered, repairs done, ck-up to make sure the unit was running properly – I believe it was only out for two Sundays – the person responsible for all that goodness is Kim Ruder – he never fails to come to the rescue at a moments notice, take care of it in the most efficient way imaginable, and then charges this parish next to nothing for doing so (have we been billed Kim?) – his love for his place shines bright! Thank you Kim!
- Then there is all the other various and sundry items that need to be accomplished around here – Crystal Sarvay and sweet Emma let us know, in an extremely painful way (so sorry girls), that some sidewalk repairs need to be done – guess who jumped right on that – yep, Scott Blackwell. He is on top of all building projects that need to be attended to, whether we know they exist or not! Trust me, there is quite a list of ongoing repairs to be dealt with. Thank you Scott!
- Also, Timon is out of the country for the next few weeks and Clement and Scott will be looking after the cleaning and yardwork and such. So if you are around and see a housekeeping issue that needs attending, let one of them know – or better yet, if it is something you can handle on your own – like maybe a trash can needs emptying, or a toilet paper needs refilling, lets help them out!

These things are just a few highlights of the goings on. So many people keep this parish running on a daily basis. We are blessed to have so many committed souls among us. So, when you run across one of the folks that are getting it done around here – take the time to say “thanks, you rock!” Make their day!

You are all amazing and I am so grateful to have the opportunity to serve this parish.

Faithfully,
Karen

Enjoy for a good laugh!

WHAT CAUSES ARTHRITIS?

A man smelling of booze and cigarettes sat down on a subway next to a priest. His tie was stained, there was red lipstick on his collar and face and a half-empty bottle of gin was sticking out of his torn coat pocket. He opened his newspaper and began reading.

After a few minutes the man turned to the priest and asked, "Tell me Father, do you happen to know what causes arthritis?"

The priest replies, "My son, it's caused by loose living, consorting with cheap, wicked women, too much alcohol, contempt for your fellow man, sleeping around with prostitutes and lack of a bath."

The drunk muttered in response, "Well, I'll be damned", then returned to his paper.

The priest, thinking about what he had said, nudged the man and apologized. "I'm very sorry. I didn't mean to come on so strong. How long have you had arthritis?"

The man answered, "I don't have it, Father. I was just reading here that the Pope suffers from it."

MORAL: Make sure you understand the question before offering the answer.

Legacy Fund Announcement

With the successful completion of our Easter to Easter Campaign for the Legacy Fund, the Stewardship and Finance Committee have begun generation the list of contributors, which will be displayed in the hallway. If you contributed, you should have been contacted by a member of the committee to obtain how you would like to be shown on the list. If the committee did not contact you, we apologize for the oversight and ask that you please contact the chair of the committee Denise Russell.

For the month of August, a copy of the list will be kept in the office. Please, at your convenience, stop in and make sure your name and information is recorded correctly. In the Fall, the list will be printed and hung in the hallway, and we want to ensure everyone has been recognized and recognized correctly.

Thank you again for your contribution to the Legacy Fund.

Diaper Ministry

The Church of the Epiphany is dedicated to increasing access to diapers for families in need. Our participation will help those families who are unable to provide an adequate monthly supply of fresh diapers for their children. Our efforts for the diaper ministry go a long way to ensuring that these children have a healthier start in life. Did you know that one out of every three families cannot afford diapers for their children and in low-income families, a baby can spend a day or even longer in one diaper? This can lead to potential health and abuse risks.

Our next distribution day is **Saturday, August 17 from 9:30 am to 12:30**. The sign-up sheet is already on the board for you to volunteer. Come and be a part of this exciting new ministry. Donations of Diapers, wipes, and paper bags with handles, are always appreciated! If you are unable to volunteer during a distribution day, maybe you know of an organization or your place of business would like to hold a diaper drive. Anyway you could help is greatly appreciated!

RICHMOND HABITAT FOR HUMANITY:

DID YOU KNOW?

25 & 116

Children of homeowners are 25% more likely to graduate from high school and 116% more likely to graduate from college (Joint Center for Housing Studies).

181

Women participated in Richmond Habitat's Women Build 2018

350

Number of "sweat equity" hours each of our homeowners must provide working on their own or other Habitat homes to qualify for their 0% mortgage from Richmond Habitat

756

A win-win-win!

0

Amount of experience you need to volunteer on a Habitat build. All skill levels welcome. Our trained staff and volunteers will teach you everything you need to know, supply all the tools and safety equipment needed, and help you all the way.
Another win-win-win!

Be on the lookout for a sign-up board soon – October 10-12 – teams of 8 – so check your schedules now!

Vestry Meeting!

August 20 @ 6:00 pm

Sympathy

The prayers and sympathy of the congregation are extended to Randy Holden and family on the death of his father, Andy Holden who died on Wednesday, July 3. A Memorial service was held on Monday, July 8 in Franklin, N.C.

May her soul and the souls of the faithful departed rest in peace.

Fellowship Activities

Want to go to Brunch in August?

Sunday, August 18th

the 'lunch brunch group' will be going to lunch at the **Red Lobster**, 8009 W. Broad Street.

If you are interested, please contact

Jean Riddick, or call Lucy

in the office, 266-2503.

HABITAT FOR HUMANITY

Our dates for participation are Thursday, October 10, thru Saturday, October 12. We will go out in teams of 8 and head to 1500 Kansas Ave. From my view, it is between the Maymont neighborhood and Riverview & Hollywood Cemeteries—to give you an idea of location.

As of now, it looks like we will be doing carpeting, cabinetry and possibly vinyl flooring.....NO EXPERIENCE NECESSARY....but that could change as we move forward. We will also be hearing about the family that we will be building for soon. So exciting!

So check your schedules now so we can have a fantastic showing from this ever so energetic place! Together, lets' be excited to be Jesus' hands and feet in this neighborhood!

Care Notes: The Church of the Epiphany has a Parish Nurse Ministry. The parish nurse ministry provides health education and advocacy and promotes healing of body, mind and spirit. The mission of the parish nurse ministry is to promote a healthier faith community through spiritual support and healthier life choices while supporting ministries already in place within the church. A Parish Nurse DOES NOT perform invasive procedures, such as wound/dressing changes, blood draws, injections, etc.

This month's topic is concerning developing better eating habits for a healthier lifestyle. A key to healthier eating is being aware of the foods that you eat. A good way to be more cognizant of the foods you eat is to keep a food diary. Writing down foods that you ingest daily will keep you on track to your goals according to the Centers for Disease Control (2019). Some habits that should be avoided that can adversely affect your path to healthier eating include; eating too fast, eating when you are not hungry, feeling the need to "clean your plate," and even skipping meals is not good for you. Eating a balanced diet such as that described by the United States Department of Agriculture (USDA) 2015-2020 using the MyPlate guide (2019), is an excellent meal plan to follow. The MyPlate guide focuses on eating healthier and making changes to a diet based on each stage of a person's life, and that person's individual needs, and also takes into consideration culture and diversity. The MyPlate plan suggests choosing foods that are low in saturated fat, low in sodium and low in added sugars. To find out more about the MyPlate plan visit <https://www.choosemyplate.gov/WhatIsMyPlate>.

If there are any topics or educational events that you are interested in having at the church or have any special needs that can be accommodated through the parish nurse ministry, or if you are a health professional in the congregation and are interested in being part of the parish nurse ministry, please contact Crystal Sarvay at epiphanyrvaparishnurse@gmail.com.

Our next blood pressure screening will be held on August 18th, following the 10:30 a.m. service.
